
Certificate of Distinction

for the Best Presentation during the Baltic Chemistry Conference

This is to certify that

ARTUR JĘDRZAK

participated in the **Baltic Chemistry Conference 2023 (27-28.05.2023)** - international online conference and gave the second best presentation in the opinion of the Scientific Committee.

The speaker gave a presentation entitled

” Portable biosensor with hybrid nanomaterial for POTC application”

The conference was attended by 110 participants, and 70 presentations and posters were showcased by speakers from 26 different research centres in 11 countries.

On behalf of the organisers of Baltic Chemistry Conference

Prof. Henry P. Pinto

Member of the Scientific Committee
